Education

2019 – 2023

Bachelor of Technology in Computer Science and Engineering

Indore, India

Shri Vaishnav Vidyapeeth Vishwavidyalaya

Professional Experience

2023/01 – 2023/05

Junior Web-Developer Intern

Indore, India

TECH DRIVEN BASIC PRIVATE LIMITED

- Played a key role as a Junior Developer during my internship at TDB, contributing significantly to web application development projects. Proficiently utilized HTML, CSS, and JavaScript to create robust and dynamic solutions.
- Collaborated seamlessly with cross-functional teams, including developers and designers, to ensure the development of user-friendly and responsive websites and applications that met high-quality standards.
- Drove enhancements in functionality within a team project, showcasing a proactive approach to problem-solving during my tenure as a Junior Developer.

Projects

2023/11

Weather App [🔗](#)

HTML, CSS, JavaScript, React.js

- Developed a responsive weather application using HTML, CSS, and JavaScript.
- Integrated real-time weather data retrieval through API calls for dynamic content.
- Deployed and hosted the application on Vercel for public accessibility.
- Showcased full-stack development skills, emphasizing a visually appealing and user-friendly interface.

2022/08

Voice Powered Expense Tracker [🔗](#)

HTML, CSS, JavaScript, React.js, Material UI, Speechly

- Developed web-based financial app for streamlined income and expense tracking.
- Implemented user-friendly interface for Voice Commands and Manual entries.
- Integrated Speechly for voice training, enhancing functionality and accessibility.
- Used robust tech stack: HTML, CSS, JavaScript, React.js, Material UI.
